REGIONAL MEMORANDUM

No. 04, s.2018

DOH Regional Office 3 Activities to Address Dengvaxia Concerns

To: Schools Division Superintendent
School Heads of Public Elementary Schools
All Others Concerned

1. With regards to the issue on Dengue vaccination, the Department of Health (DOH) Regional Office 3 will conduct various activities to address concerns on Dengvaxia, which are as follows:

I. Information, Education and Communication (IEC) Materials

A. DOHRO3 produced

- an Audio Visual Presentation (AVP) containing frequently asked questions with the intent to have it played in common areas for information dissemination.

- frequently asked questions posters and tarpaulins which shall be posted in every classroom with Dengvaxia recipients, namely Grade 6 classrooms. Please assist in facilitating the posting of the IEC Materials

B. Secretary Duque will conduct random visits at schools to oversee that the IEC materials are in place.

II. Mental Health and Psychosocial Support Training

A series of trainings will be conducted for nurses and health leaders. These trainings will help in properly addressing student fears and concerns. Tentative start of training will be on the 4th week of January 2018. Participants and dates of trainings will be announced.

III. Surveillance of Children Vaccinated with Dengvaxia

If any of the students vaccinated with Dengvaxia is reported absent, especially if due to sickness, teachers are requested to inform the nearest Rural Health Unit (RHU) and/or Dengue Hotline using the prescribed text message template:

Patient's Name:
Age:
Address:
Nos of dose/s given:
School:
Date of onset of fever/other signs and symptoms:
Date of admission:
Admitting Hospital:
Admitting Diagnosis:
Date Discharged:
Name of Parents/Guardian:
Contact Number

Furthermore, the DOH will attach stickers to the learners' immunization card. This sticker will contain a coded number for vaccinated students, as well as Learner's Reference Number. In line with this, **we kindly request for a master list of the Learner's Reference Number for all vaccinated students and send it through email.** Moreover, ask the students to bring their dengue immunization card for checking and attachment of the stickers by Nurses from the Nurses Deployment Program and Local Government Units.

Additionally, hotlines were established to respond to all the queries regarding dengue vaccine issues and/or patient referrals.
