	DIVISION MEMORANDUM 436 s. 2018		Name of Office: CID-IM

TO : Public Schools District Supervisors/ Cluster Chairpersons
 School Heads/Administrators of Public/ Private Elementary/ Secondary School
 Elementary/ Secondary Mathematics Teachers
 Mathematics Coordinators

FROM: Office of the Schools Division Superintendent

SUBJECT: **I LOVE NUMBERS ADVOCACY CAMPAIGN**

DATE: September 24, 2018

- In adherence to the Regional initiative of "I Love Numbers Advocacy Campaign" which aims to intensify the need to promote the love for Mathematics and change the common connotation that Mathematics is a difficult subject to be feared by the pupils and students, this division launch the said campaign in a form of highlighting the different creative avenues for learning exemplified by students'/ pupils' outputs and teachers' critically thought instructional materials to improve the teaching and learning instruction inside and outside the classroom, hence, the Mathematics Exhibit of " I Love Numbers."
- The Mathematics Exhibit shall be showcased during the Mathematics Festival of Talents on September 26, 2018 at Magalang Elementary School, Magalang Pampanga for Elementary Level and on September 27, 2018 at Pulong Santol High School, Porac, Pampanga for the Secondary Level.
- Since the exhibit is a joint force of districts/ clusters which will feature students' outputs and teachers' contextualized instructional materials, fellow students and teachers may benchmark and learn from peers' highlighted materials. It is in this context that School Mathematics leaders in both public and private schools are enjoined to attend the Mathematics Festival of Talents (MFOT) to get the opportunity of witnessing the exhibit and observing the MFOT activities as well.
- In addition, guest evaluators are also invited to share ideas/ comments and suggestions for further improvement for the said outputs/ instructional materials.

For Elementary Level;	
Norman L. Santos	TIC-Mathematics, Floridablanca National Agricultural School
