SUBJECT: **2<sup>ND</sup> PERIODIC TESTS FOR PUBLIC ELEMENTARY AND SECONDARY SCHOOLS**

DATE: October 9, 2018

1. This Office announces the adjustment on the schedule of the 2<sup>nd</sup> Periodic Tests for Public Elementary and Secondary Schools on October 19-20, 2018 (Friday and Saturday) as reflected on DepEd Order No. 25, s. 2018 for schools not affected by flood during the months of August and September. Learners can enjoy the one week semestral break, so principals can push through the In-Service Trainings for their teachers on October 22-26, 2018. However, for the schools inundated by flood, there shall be NO SEMESTRAL BREAK, so teachers can catch up on teaching the important competencies for their learners. Conduct of periodic tests may be scheduled between November 5-9, 2018.
2. This Office understands the sentiments of some teachers who were not able to hold classes during the rainy season, however, principals were met and instructed to make necessary interventions in their schools for Education in Emergencies. Some competencies are related, and adjustment on instruction can be done prior to the date of the examination.
3. Immediate dissemination of and strict compliance with this Memorandum is directed.
