SUBJECT: **UTILIZATION OF THE DEVELOPED WORK IMMERSION MANUAL, “WORKSHOP ON DESIGNING A BLUEPRINT FOR EFFECTIVE TEACHING AND LEARNING IN THE WORK SETTING” TO ALL SENIOR HIGH SCHOOL IMPLEMENTERS IN THE MUNICIPALITY OF FLORIDABLANCA**

DATE: November 7, 2018

1. One of the goals of the K-12 Basic Education Program is to develop learners' competencies, work ethics, and values relevant to pursuing further education and/ or joining the world of work. Work Immersion is, thus, a requirement for graduation. Learners are immersed in actual work environments and laboratories in which their prior training is relevant.

2. Anent to this, the Schools Division of Pampanga, in cooperation with the Municipality of Floridablanca, developed a guide in planning, implementing and evaluating the Work Immersion Program last February 2018 which was participated by the different public and private teachers in charge of Work Immersion of the following schools:

Basa Air Base High School
Diosdado Macapagal Memorial High School
Floridablanca National Agricultural School
Gutad High School
Paguiruan High School
San Jose High School

3. To validate and finalize the said tool, the SDO- Pampanga, through its Senior High School Focal Person, announces the strict utilization of the WORK IMMERSION MANUAL titled “WORKSHOP ON DESIGNING A BLUEPRINT FOR EFFECTIVE TEACHING AND LEARNING IN THE WORK SETTING” in all senior high school implementers in the Municipality of Floridablanca. All the schools' outputs will serve as input in improving the manual.

4. All queries may be addressed to Mr. Wesly M. Tayag, Division Senior High School Focal Person (963-1070).

5. Immediate dissemination of the memorandum to all concerned is highly desired.
