**INVITATION TO PARTICIPATE IN THE RESEARCH POSTER PRESENTATION AND
INTERNATIONAL PUBLICATION IN PARTNERSHIP WITH THE INTERNATIONAL CENTER OF
COLLABORATION FOR RESEARCH OF ASCENDENS ASIA**

The Ascendens Asia Group is creating a venue for the dissemination of research results by teachers as a way of forging valuable partnership towards opening opportunities for the exchange of ideas rooted in research through international exposure. As an arena for a multidisciplinary research undertaking, Ascendens Asia aims to achieve the following:

1. exhibit participants' researches offering viable solutions to existing community problems or improving current systems,
2. advance their personality development and critical thinking skills as they engage in constructive discussions with other participants,
3. extend opportunities to develop their presentation skills by interrelating/interacting with other researches, and
4. develop their spirit of competitiveness.

To realize this endeavour of research partnership, Ascendens Asia shall organize an event, tentatively scheduled on August 23, 2019, for Poster Presentation of completed research studies that were already accepted and approved by the Schools Division Office through its Planning and Research Section. Please be informed that completed research studies that were funded by the Department of Education through BERF and the ones that were included in division and regional research congress shall not be allowed to take part in the event as these are already the property of the Department of Education. Research enthusiasts from Private Schools are likewise invited to join.

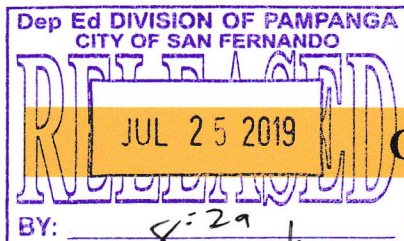

As to the details of the Poster Presentation of completed research studies, please coordinate with Sir Leonilo Capulso with mobile number 0917-524-3533 and email address leonilocapulso@ymail.com. Taking part in the above-indicated event shall also entail corresponding expenses the funding of which may be taken from the Social Education Fund (SEF), the canteen funds of the school, or it may be personally shouldered by the participant himself/herself.

Participation of public and private schools shall be subject to the no-disruption-classes policy stipulated in DepEd Order (DO) No. 9, s. 2005 entitled Instituting Measures Increase Engaged Time-on-Task and Ensuring Compliance Therewith.

This is for your widest dissemination.
