DIVISION MEMORANDUM  
No. 147, s. 2020

**SURVEY QUESTIONNAIRES**

TO : Chief Education Supervisors  
School Heads of Public Elementary and Secondary  
All Others Concerned

1. The present health crisis faced by the world has given birth to the "New Normal". This situation has therefore ushered to a "New normal in education system".
2. As the Department of Education prepares for the new normal educational system, a Learning Continuity Plan (LCP) is being finalized to ensure that education will continue during the emergency. The LCP suggests a menu of flexible options for learning delivery. One of these is the online teaching/learning.
3. The online teaching and learning will require the ICT competencies, equipment and internet connectivity at home of teachers and learners. These are also required for SDO officials and school heads for leadership and supervisions.
4. In view of the foregoing, this office will float online survey questionnaires to assess the teachers' and learners' readiness for online teaching and learning as well as the SDO officials' and school heads' readiness for online supervision. Data gathered will serve as basis for the decisions in the Learning Continuity Plan and Training and Development Plan of this Office.
5. Below are the specifics of the survey questionnaires that can be accessed using the links provided that correspond to every governance level. All survey questionnaires require the use of DepEd Emails.
